THE WHO

**We are a SIRA certified company for
the last 5 years and have
consistently completed executions
in both IT and Software.**

COMPANY

We are the leading IT & Software Solutions Provider in the region for a reason, and that reason is that we believe that the things we do with our company will benefit our patrons and our partners. We've been serving this country for seven years, and we are dedicated to continuing and expanding that service.

PRODUCTS

Use ASSIT to know what assets you have, where they are, who uses them, how they are configured, software and hardware licencing repositories.

ASSIT

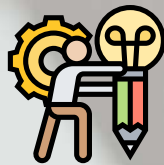

We automate your IT asset life cycles. It tracks the financial, contractual, and inventory details of hardware and devices, as well as non-IT assets, throughout their life cycles.

WHAT OUR CLIENTS SAY

TESTIMONIALS

Binnish

Ajman Police

"I place the highest value on my relationship with Diligence Security Systems. Over the years they have exhibited their highest level of expertise and professionalism. I truly appreciate their business approach and give them my highest recommendation. They know their stuff and can be relied upon to get the job done right the first time."

M. Fazil

Meydaan

"Diligence has demonstrated that they are a professional, dedicated and customer focused services and support organization."

They have a quick response team when we need a new setup or track existing issues. The staff from Diligence have been outstanding. They recognize a potential issue and solve it. I would highly recommend them to anyone due to the service provided and compassion they have for their customers.

Firoze

Ahmed Al Maghribi

"I feel compelled to write to you and say that Mohammed is such a pleasure to work with. He is smart, professional, pleasant and extremely tech savvy, and no matter what the problem, he knows how to fix it. Thank you for having him service us. Big thanks to team Diligence."
